Essay and Dissertation Support

Producing an excellent dissertation, PhD thesis or essays, will be core to your success. The content must, of course, be your own, and we will work with you to develop your skills. Writing a good essay or dissertation requires a broad range of competencies, many of which may be new to you. Uni Direct's team of experts will support you to achieve your potential.

Essay and Dissertation Support

Essay writing technique is a key skill and developing it will be critical to ensuring you succeed in your studies. We can aid both undergraduate and postgraduate students in this area, helping them to submit excellent essays.

For your dissertation or thesis, we understand that every student is unique. We can advise you on aspects of your research methodology and analysis, guiding you all the way from developing your ideas, to submission. This includes helping you to write a good literature review, through to providing regular mentoring sessions and proof reading.

Reflective writing

Studying at university requires a high level of writing skills, as well as an emphasis on reflective writing. Reflective essay and dissertation writing requires an analytical and critical mindset.

Reflective writing techniques consider different ideas from various angles and approaches. You will need to explore alternative ideas and pose questions within the context of the essay, dissertation or thesis. Reflection is about learning, reviewing changes and developing alternative approaches. In addition, reflecting on your own work and understanding how you could improve in the future is important to do regularly.

Other support

As well as supporting you with the fundamentals of essay writing and proof reading, we can call upon a range of specialists to help in other relevant areas including supporting you with:

- ◆ Your research methodology
- ◆ Producing diagrams, tables, graphs and statistical analysis
- ◆ Publishing your work in journals
- ◆ Implementing feedback from your tutors
- ◆ Regular mentoring sessions
- ◆ Obtaining specialist support for students with disabilities

Our specialist mentors have a wealth of experience in supporting students to improve their writing skills. If you would like to find out more please contact us to speak to one of our advisers.
